

Yavapai Amateur Radio Club Weekly Net Script
(last updated 08/08/06)

CQ CQ CQ. The Yavapai Amateur Radio club net is now open. This is _____, net control station for _____, 2006. My name is _____ and I am located in _____, Arizona. This is a directed net and all amateurs are invited to join the net. Stations with emergency traffic may break in at any time. Visitors may check in following roll call. This net meets every Wednesday at 1900 hours MST on 146.880 MHz with a PL tone of 100 Hz. If you do not have a PL tone in your radio, you can transmit on 146.880 simplex when the repeater drops out.

Is there any emergency or priority traffic at this time?

Are there any mobile stations wishing to check in at this time?

Stand by for roll call. This is _____, net control for the Yavapai Amateur Radio Club net. (*Call the list.*)

ROLL CALL

(After member check-ins, ask for any missed or late member check-ins and then ask if there are any visitors wishing to check in to the net.)

(Start again at the top of the list of those checked in and ask for comments.)

COMMENTS FROM CHECK-INS

Are there any missed or late check-ins?

Are there any other comments or business before we close the net?

The Yavapai Amateur Radio Club was established in 1991 and meets on this frequency every Wednesday night at 1900 hours MST. We'd like to offer our deepest gratitude to Bill Kafka, W2YAV, for allowing us to acquire this repeater. The club meeting is held on the first Thursday each month in Prescott at the GRANITE Mountain Middle School.

Anyone wishing to become a member should view our web site at www.w7yrc.org for information and an application, or come and visit with us at our next meeting.

This is _____ closing the net at _____ MST.

73, and good evening to all.
