

June 2022 Foxhunt

The June foxhunt was held Sunday, June 4th. Robert, WA6FBA, and Byron, KK7FBL. Were the foxes.

There were three teams for this hunt:

1	Jeff, WB7RFY, and Keith, KJ7GTX
2	Pete, K6VVR, Jerry, KF7FPD, Gary, K6JXM, and Debbie, KK7GIC
3	Jack, WK7J

The results of the hunt were:

Finish	Team	Time
1	2	33 min.
2	3	47 min.
3	1	63 min.

This article is shorter than normal as I was unable to participate in the hunt. The information in it is from some of the participants. As there were only two pictures from the hunt, I did not put them on the Internet.

The foxes hid the transmitters up a trail off of the tennis courts of Yavapai College between there and the veterans officer's quarters at Fort Whipple. I was informed that the foxes had a decoy vehicle across the parking lot that did distract one of the teams. It was a fairly quick hunt and all the teams were successful in finding the transmitter.

Congratulations to K6VVR, KF7FPD, K6JXM, and KI7COM on being the winners.

The participants went to the Prescott Junction for after-the-hunt socializing and telling of tall tales.

We invite anyone interested in foxhunting, especially anyone who has not done it before, to join us. Those new to the hobby can ride with an experienced hunter. We always have a good time, win, lose or draw.

73,

John, WB9VGJ
