Our project milestones include the following objective that are specific, measurable, achievable, results-oriented and time-bound (S.M.A.R.T). We will maintain and provide the ARRL Foundation a graphical report of performance indicators showing our progress towards each of these goals at the end of every quarter in 2023 and 2024. We will also use these internally to monitor and adjust our planning to remain on schedule.

Increase licensed students in southwest AZ from 124 to 188 over two years.

At least 20% of newly licensed students will also have one family member licensed.

Complete 50 hours of in-school amateur radio and STEAM classes.

Complete 10 open-to-public amateur radio events over two years.

Complete two summer classes in cooperation with community youth summer programs.

Participate in 2 international amateur radio sister-projects and two state-wide Star-Nets.

Hold at least 20 In-person youth radio club meetings with amateur radio activities.

Maintain clubs' completion of at least 24 public service events over two years.

Complete the youth club station with at least 24 youth club on-the-air sessions.
