

May 2023 Foxhunt

The May foxhunt was held Saturday, May 6th. Pete, K6VVR, Jerry, KF7FPD, and Gary, K6JMX were the foxes.

There were three teams for this hunt, a very good turnout:

1	Robert, WA6FBA, Bob, WB6ODR, and John, KJ7PJO
2	Jeff, WB7RFY, Keith, KJ7GTX, and John, WB9VGJ
3	Byron, KK7BFL, Andy, N7AAW, Sherwin, WB7NFX, and Don, KI7IOM

The results of the hunt were:

Finish	Team	Time
1	3	40 min.
2	2	1 hr. 18 min.
3	1	Not recorded

This was the second foxhunt held in Prescott Valley. The foxes hid the transmitters by the recreation

The foxes hid the transmitters at a recreation center in a new section of the Jasper subdivision adjacent to Granville. Our team got readings indicating the primary transmitter was east of the starting point. We went east on Rt. 69 as far as N. Navaho Dr. until we realized the transmitter was not in that area. Going back it looked like it might have been south of 69, but a reading taken near N. Prescott East Hwy indicated it was north. We proceeded north on Prescott E. Highway and the signal got stronger. We checked out a couple of streets in Granville and then decided it must be in Jasper. We drove around many streets in Jasper. As they all twist and turn we covered quite a bit of area before we drove into the parking lot of the rec. center that we had driven past in our search. The rec. center is quite impressive and it was a great place to hide the transmitters.

Congratulations to Team 3 on winning the hunt!

tinyurl.com/YARCfoxhuntMay2023

Our team and two members of Team 3 went to Cracker Barrel afterwards and the others went to the Prescott Junction.

We invite anyone interested in foxhunting, especially anyone who has not done it before, to join us. Those new to the hobby can ride with an experienced hunter. We always have a good time, win, lose or draw.

73,

John, WB9VGJ
