

February 2024 Foxhunt

The January foxhunt was held Saturday February 3rd. Mike, WU7V, Steve, KG7SDY, and Andy, N7AAW were the foxes.

There were five teams for this hunt:

1	Richard, WB6NRM, Sharon, KK7NNK
2	Jeff, WB7RFY, Keith, KJ7GTX, John, WB9VGJ
3	Robert, WA6FBA
4	Pete, K6VVR, Jerry, KF7FPD, Fernando, KJ7QHI
5	Byron, KK7BFL, Don, KI7IOM, Sherwin, WB7NFX

The results of the hunt were:

Finish	Team	Time
1	3	38 min.
2	4	41 min.
3	1	45 min.
4	5	54 min.
5	2*	1 hr. 6 min.

* Team 2 did not finish, but arrived at the site after being told where it was to see where the transmitters were hidden.

The foxes hid the transmitters on a trail off of Summer Field in the first subdivision south of the old drive-in movie site on the east side of Senator Highway.

Our team had a frustrating hunt. We were all around the area of the transmitters, including Acker Park and the Odd Fellows Cemetery which was basically in sight of the transmitters. We were within two blocks of the transmitters at one time having checked on Canyon Breese Ct. However, we failed to turn onto left Grand Valley Pointe which turns into Summer Field, instead going back out to Senator Highway.

Congratulations to WA6FBA on winning the hunt!

There are no pictures of this hunt as we didn't get to the hiding site until the hunt was concluded.

We went to the Prescott Junction for an after-the-hunt socializing.

We invite anyone interested in foxhunting, especially anyone who has not done it before, to join us. Those new to the hobby can ride with an experienced hunter. We always have a good time, win, lose or draw.

73,

John, WB9VGJ
